

## DEAR FRIENDS OF NOOSA CHANCES.

It's been an exciting year for us and we are thrilled to announce we will shortly launch our new brand - reflecting our national expansion - of

# ALTITUDE SCHOLARSHIPS

After months of extensive consultation with schools, students, and supporters, we have decided on this name as it reflects the unanimous view that through their efforts and talent our recipients have already reached great heights in their achievements, and we all expect them to soar even higher.

We will continue to use the name of Noosa Chances for recipients in the Noosa Shire.
